Cargill Special Case: I don't have any updates since last week- still working on internal communications for the FOIA (Corps HQ still working on interagency communications), waiting on the Corps documents, and waiting to hear on the contracting.

Drought Barriers: [REDACTED]

Let me know if you want me to write up a more formal weekly for these two items.

Subject: Weekly Reminder - due COB Tuesday April 21st

Hello WD Managers:

Please submit items for the weekly via EMAIL to Linda and me by COB Tuesday April 21st.

Please be sure to include any drought related activities and speaking engagements your office may be participating in over the next two weeks. In addition, include relevant dates for the items submitted, along with POCs.

I have pasted below last week's weekly as a point of reference.

Thanks. Kate

WEEKLY REPORT
Region 9
Environmental Protection Agency
Week of April 17, 2015
Water Division

Highlight of Past Week

Significant Items for Next Week

Cargill Special Case:

a) FOIA: Cargill submitted a FOIA request for all documents related to the jurisdictional determination of the Redwood City Salt Pond site. We are coordinating with HQ on this request. This week we will provide the first round of responsive documents for all public documents. We continue to work on identifying responsive documents for internal communications which is due May 15.

b) We are sending a formal request to the Corps to obtain documents to support EPA's jurisdictional determination. (Brush, 2-3483)
